

Kenspeck Theatre presents
PUTTING IT TOGETHER
by Stephen Sondheim

Emotions are shaken and relationships are stirred at this cocktail party with a twist. **Kenspeck theatre** present **Stephen Sondheim's** phenomenal musical revue **PUTTING IT TOGETHER** for the Edinburgh Festival Fringe this summer.

Sondheim mixes wit, energy and passion in this musical revue that will please everyone's palate. The jealousies, rivalries and affections of the guests are intimately examined at this intriguing soiree . Featuring some of Sondheim's greatest songs from hit shows including *Company*, *Follies*, *Into the Woods* and *Merrily We Roll Along*. Touching moments are juxtaposed with songs that make you fall off your seat with laughter as the guests contemplate whether they'd actually prefer the single life. They finally decide that having someone to 'make you aware of being alive' is infinitely better than going it alone.

kenspeck theatre are an exciting and vibrant company that strive to produce a diverse range of high quality musical theatre. They formed at Warwick University where they frequently performed at the Warwick Arts Centre in productions including *Guys and Dolls*, *The Wild Party* and *A Chorus Line*. They will soon be performing *Songs for a New World* at venues around the West Midlands. **kenspeck theatre** are closely affiliated with **Throwaway Theatre** that brought the incredibly successful production of *The Fix to C* at last year's Fringe.

Join them this year for their brilliant production of **PUTTING IT TOGETHER** a witty, energetic and touching Sondheim revue with a twist.
